Why are you auditioning for this class; what do you hope to achieve in it? _____

Please list any physical or health problems you have that MIGHT interfere with your performance in this class: _____

Placement into Intermediate or Advanced Dance is by audition only. Intermediate and Advanced dance fulfills the University of California academic elective requirement for the performing arts. After school rehearsals are held instead of requiring lots of homework in the form of essays. Since Intermediate and Advanced Dance are performance based classes as well as dance training classes, two after school rehearsals for Advanced per week and one after school rehearsal for Intermediate dance per week, and mostly after school performing is expected of each member. Daily attendance in class, weekly after school rehearsals, and after school performances are mandatory. In joining this class, you are also joining a team that needs to work together consistently in order to perform well. Please understand that missing class, missing scheduled rehearsals, or missing performances will affect your grade and could constitute your being dropped from the class. If you drop out of the class at any time during the school year, you will be ineligible to audition again the following year. Please sign below to acknowledge your understanding of these requirements.
