Please list any physical or health problems you have that MIGHT interfere with your participation in this class: _____

Placement into Intermediate or Advanced Dance is by audition only. You will be placed in the level that the judges determine is best for you. Intermediate and Advanced dance fulfills the University of California academic elective requirement for the performing arts. Participation in rehearsals or performances will be voluntary, but dancers who choose to perform will need to attend some after-school and weekend rehearsals if they choose to perform. Performance Ensemble requires enrollment in either Intermediate or Advanced Dance, and performance participation will be mandatory and part of the grade for that class. Additional after-school and weekend rehearsals will be required to prepare for performances. In joining this class, you are also joining a team that needs to work together consistently in order to perform well. Please understand that missing class, missing scheduled rehearsals, or missing performances will affect your grade and could constitute your being dropped from the class. If you drop out of the class at any time during the school year, you will be ineligible to audition again the following year. If you are accepted into Intermediate or Advanced Dance and you choose not to accept your placement in this class, please notify the N.U. Dance Department so that your spot can be given to an alternate. Please sign below to acknowledge your understanding of these requirements.
